

ATTENTION HAW RIVER RESIDENTS!

**Do you know what's in the air
you're breathing from the Stericycle
medical waste incinerator?**

Can air pollutants from
Stericycle cause cancer?

Is it harmful to children
and seniors?

Can it affect your
drinking water?

Food from your garden?

What can you do?

Town Meeting
Tuesday July 13
6:30 p.m.

Haw River Civic Center
110 Stone Street
Behind Town Hall & Fire
Department
